1 The minimum level of cable service you may purchase is BASIC SERVICE. You must purchase BASIC SERVICE to subscribe to any other video service offered by Comcast. Service, programming and equipment are subject to availability. All pricing, programming and channel locations are subject to change. Prices do not include state or local taxes, franchise fees or FCC fees. Please call 1-866-660-6137 for further information. The purchase of premium channels, packages and a la carte services (including iN DEMAND, Pay-Per-View and Channel 1 On Demand) requires the appropriate equipment. ©2008 Comcast. All Rights Reserved.

2 A cable box may not be necessary to view Basic Service or Standard Cable Service. Please visit www.comcast.com/cablebox or call 1-866-660-6137 for further information.

3 Standard Cable includes Basic Service and Expanded Basic Service. Effective December 1, 2008, Standard Cable will no longer be offered for new subscription.

4 Digital Starter includes Basic Service, Expanded Basic Service, Digital Starter content and a digital cable box and remote or a CableCard on the primary outlet. A Digital Additional Outlet Service Charge may be applicable for additional outlets. If you wish to upgrade to a High-Definition Cable Box, an incremental equipment fee of \$7.00 may be applicable.

5 Discount of 10% off of Basic Service and FRC or \$2.00 off of Standard Cable available to customers age 65+ who are head of household and qualify for Medicaid, SSI or MA Fuel Assistance. Restrictions apply.

6 Digital capable equipment is required to view this service. Price does not include a digital cable box and remote. Certain restrictions apply. Service subject to availability. High-definition capable equipment and a subscription to the corresponding package are required to receive high-definition channels.

7 Prior to obtaining a DVR from Comcast, additional documentation or a credit verification may be necessary. Monthly fee for digital cable box & remote (with Digital Video Recorder capabilities) is additional unless included as part of your cable package.

8 Effective December 1, price now includes a digital cable box and remote or a CableCard. An incremental equipment fee of \$7.00 may be applicable for customers who have, or wish to upgrade to, a high-definition cable box.

9 If you reconnect any or all of the services after a disconnection for non-payment, in addition to any other charges you may owe, Comcast will impose either a reactivation charge if a visit to your residence is not required or a reinstallation charge if a visit to your residence is required.
